PRODUCTS YOU CAN RELY ON

**LA TOULOUSAINE
60 YEARS OF TRUST
AND RELIABILITY**

LA TOULOUSAINE

Over the past six decades La Toulouseaine has gained considerable expertise in designing quality closure solutions you can rely on. Our technical center and industrial premises are based in Toulouse, France, a city at the forefront of European engineering. More than three hundred skilled technicians, designers and operators work together to provide our customers with the best products and solutions. With more than a million solutions keeping homes and businesses secure throughout Europe, La Toulouseaine is a top-of-the-range standard in the industry.

ALLUMINIUM HIGH QUALITY MATERIAL

Light

Shock Resistant

**100% environmentally
friendly**

Corrosion Resistant

For your own safety and that of your children, all our gates comply with EN 13241 + A1 standards.

PATENTED EXPERTISE

MECA'CLAV® ASSEMBLY SYSTEM

Over the past six decades La Toulouseaine has gained considerable expertise in designing quality closure solutions you can rely on.

DURABILITY

Our innovative and patented assembly system provides lasting quality.

ROBUSTNESS

Based on multi-chamber profiles, our Méca'Clav® system gives our gates both exceptional resistance and the most elegant lines on the market.

Aluminium driveway gates, aluminium garden gates and aluminium pedestrian gates are an ideal solution if you are looking for high quality, low maintenance and long lasting gates.

Our Access Marselha range of aluminium gates are available as sliding gates, swing gates and pedestrian gates. Comes with 10 year warranty

TOLOSA

Product Code: ACCESSTOLOSA

The Access Tolosa is one of our budget range of designs. Comprises of:

- A solid filled section for the lower part of the gate
- Vertical slats for the top part of the gate
- Double cross top beam optional
- Made to Measure Aluminium Gates
- Available as Sliding Gates, Swing Gates or Pedestrian gates
- A choice of 18 standard colours
- Special finishes optional
- 10 year warranty

ADDITIONAL INFORMATION

Aluminium driveway gates, aluminium garden gates and aluminium pedestrian gates are an ideal solution for those wanting low maintenance, long lasting and secure gates.

Manufactured in France by La Toulousaine using a patented Méca'Clav® technology assembly system which is based on multi-chamber profiles and provides a perfectly rigid frame without altering the product design. Aluminium gates are extremely light in comparison to a standard wood gate or a metal gate and are extremely robust and reliable.

Custom-made to your choice of 18 standard finishes and your bespoke technical specifications. Additional special finishes are optional. Swing gates are supplied with adjustable hinges as standard. Each aluminium gate comes with a 10 year warranty.
